PODCAST REVIEWS ★★★★★

"A much-needed marriage of practicality and spirituality"

Ksenia has created something really special through this podcast. It's the missing piece we need in a wellness culture that values spirituality over practicality and a business culture that is exactly the opposite. I'm inspired by these intelligent and nuanced conversations and can't wait to hear more!

"Game Changer!"

This podcast is such a game changer.. life changer even. Yeah, it's changed my life.

I've gained so much wisdom and insight from Ksenia and her guests.

It's given me so much encouragement and FREEDOM in on this solo-entrepreneur path to unapologetically create a business that's in alignment and using social media as a way of aiding the world. I'm so grateful to have found it!"
